

# FREE! Pet ID Tags & Microchips

make it easy for someone to help  
your pets should they ever  
become lost.

*Safely

## No More Lost Pets!

We know your pets are part of the family and how worried you'd be if one went missing. A visible tag, and a back-up microchip, is your lost pet's ticket home. Residents of Rohnert Park and Cotati can protect your pets with a FREE microchip and personalized ID tag. (Non-residents: \$5 per ID tag & \$10 per microchip)
